# Leadership Honour Roll

## Community Fund Leaders

United Way of Peel Region's Leadership Giving Program promotes and celebrates personal donations of \$1,000 or more to our annual campaign. Those individuals who give a Leadership gift join a select group of generous donors who are committed to building a strong, healthy community.

837 Leadership donors contributed more than \$1.5 million to the Community Fund in 2009. The Community Fund helps meet immediate needs and address the root causes of social problems so that individuals develop resilience, families grow strong and neighbourhoods become vibrant. In 2009, more than 420,000 people from all walks of life received support through United Way. This would not have been possible without our Leadership donors.
