# Your investment changes lives and builds better futures.

Through our Community Fund, United Way provides a lifeline for more than 420,000 people annually. It supports a vital network of 99 services and programs, helps build strong agencies, fosters community partnerships focused on collective action, supports our work as an advocate for social change, and invests in initiatives that provide economic opportunities and the chance to participate in the life of our community.

United Way of Peel Region mobilizes the caring power of our community to develop solutions to our community's most complex social issues. By investing in services that meet immediate needs and addressing the underlying causes of social problems, we strengthen individuals, families and neighbourhoods.

## Other ways to support United Way

- **When you give a gift of publicly traded securities to United Way, you can eliminate the capital gains tax!** If you own stocks or mutual funds that have grown in value, you will face a tax bill when you sell them. By donating them directly to United Way, you can reduce your tax bill and make a significant gift at the same time.
- **Remember United Way in your will.** By making a bequest to United Way you will help make your community a better place to live and work through your continued investment.
- **Make a permanent endowment to United Way's Forever Fund and help support United Way-funded programs, services and initiatives.** All donations to the Forever Fund are invested in perpetuity and only the income earned on the capital is used. All assets of the Forever Fund are professionally managed to achieve a balance between long-term security of capital, asset growth and a level of annual income that will allow for the funding of vital programs, services and initiatives. Whichever option you choose, your gift to the Forever Fund will endure. All donations qualify for charitable tax credits, which can generate significant tax benefits.
