

Share your voice - join our vision

Speakers' Bureau provides United Way workplace campaigns with inspiring and informative speakers who help share the United Way message.

Through Speakers' Bureau, workplace campaigns have access to **community leaders who can inspire and motivate audiences to volunteer and donate to United Way.** With compelling stories and images, Speakers' Bureau members help audiences recognize how they can help create change in the community through their support of United Way of Peel Region.

United Way is looking for a diverse group of speakers from agencies and community partners to help in addressing donors, volunteers, corporate and community leaders. We are looking for agency representatives, clients and corporate community leaders to join the Speakers' Bureau team. Speakers' Bureau members usually make 3 - 4 presentations between August and November. Presentations are scheduled at varying times of day. We will work with your schedule to find the best fit.
